**WESLEYAN LOSES**  
**FULLBACK HINGLEY**  
Broken Bone in His Leg Which He Received in Brown Game

Wesleyan seems to be playing in hard luck this year. It has been definitely determined that Hingley, who has been taking Captain Kenan's place at fullback while he was incapacitated, had broken his leg and will be unable to play again this season. Hingley was injured in the Brown game last Thursday, and at that time it was thought at first that he had broken his leg, but later it was thought that only the leg was broken. Today, however, it was definitely decided that the leg was broken.  
His absence will be greatly felt, as with Captain Kenan out of the game with injuries the Wesleyan backfield has been weakened. It is not expected that Kenan will be able to play in the Amherst game Saturday, but Wesleyan is determined to make a good showing. This game will go a long way towards determining their comparative standing with Trinity, hence great hopes are being placed on this contest.  
Elihu Goss, brother of Coach Eustis, who has been out of the game because of an operation, is anxious to see his team get help out in the emergency, and it is possible that he will be able to get into the Trinity contest. He is speedy and good at the forward pass, and will be a great addition to the Wesleyan squad if he is allowed to play.

**ARMY-NAVY REACH AN AGREEMENT**  
Game This Year at Philadelphia on November 28

Washington, Oct. 26.—An agreement binding the West Point and Annapolis academies to play an annual army and navy football game for five years and specifying Franklin field, Philadelphia, as the place for this season's contest and November 28 as the date, was formally announced today by Secretary Garrison of the war department and Lieutenant Commander Needham Jones of the navy.  
Both officials declared that this action made the playing of this year's game a certainty.  
As agreed upon, the plan stipulates that the two schools will choose the site for the games alternately, the navy having the preference this year. The place is not to be north of New York or south of Washington. It provides that when it is the navy's turn to choose the site in 1915 everything possible shall be done to provide more commodious facilities than are now afforded at Franklin field.  
The final agreement followed a series of conflicting reports during the day which changed the prospects of an agreement every few hours.

## LANGFORD KNOCKED OUT SMITH

Boston Tar Baby First to Knock Down the Leading White Hope of this Country—Smith Lasted Three Rounds—Negro Showed Superiority Throughout.

Boston, Oct. 26.—Sam Langford, the negro heavyweight of Boston, knocked out Gunboat Smith of New York in three rounds.  
It was the first time that the leading "white hope" of this country who had gained a decision over Langford here a year ago, has been knocked down. The negro showed his superiority throughout. A right swing felled Smith for a count of seven in the first round.

## PLANTER MAY ASSUME MANAGERSHIP OF LAWRENCE

Ray Rock and a Providence Man Have Made a Big Offer for the Franchise.

Ray Rock of the Planters will in all probability be the next manager of the Lawrence baseball team, succeeding Louis P. Pieper. Rock and another Providence man have made a big offer for the franchise and from present indications it looks as if these two will secure a controlling interest in the club.  
Treasurer Dan Noonan, who holds the biggest block of stock in the Lawrence club, went to Providence to look into the venture, but this will be in all probability secure an option on the club.

Rock first became interested in the Lawrence club towards the close of the past season and he had a good opportunity to size up the town when he went there with the New London club for the post-series games. He was impressed with the city from a baseball standpoint, and the result was his bid for the club. It is expected that there will not be much difficulty in arranging a deal.

Rock is the former Providence shortstop, having played with the International league team for several years. For the past two years he has covered shortstop for the New London club and in the opinion of several of the writers who saw the Boston series, Rock was considered the best shortstop in either league.

It is not known just yet who the other Providence man is who is with Rock in the venture, but this will be made public if the deal goes through. When interviewed over the long distance phone at the former home of his brother at Dorchester, where he is spending a vacation, Manager Pieper said that he expected Rock and his Providence partner to secure the franchise, players, the lease on Riverside park and all other holdings of the club he said. The Providence man, who is probably buying out the interests of Noonan and Pieper, but this will give them the controlling interest and Joseph P. Sullivan, Pieper's partner, will probably retain his holding in the club.

Manager Pieper said that as far as he knew all the players with Lawrence would be retained. There are several men whom he would like to take with him to Lynn and probably this might be fixed up in the deal with Rock, he said. However, if Rock insists on buying the club, intact Pieper would not take any of the Lawrence players with him.

## HUGGINS LOSES BATTERY.

Pitcher Peritt and Catcher Wingo Lost to St. Louis Nationals.—Signed with Federals.

Manager Miller Huggins of the St. Louis Nationals has arrived at his home in Cincinnati for a brief visit, after which he is going upon a two-week trip with friends. Huggins frankly admitted that the club has lost both Pitcher Peritt and Catcher Wingo to the Federals, but states that he has no thought about either Sales or Snyder as both are under contract with St. Louis for next season, and have assured Huggins they have no thought of jumping.  
When asked about Cozy Dolan, Huggins replied that Dolan had been offered a one-year contract by the St. Louis Nationals, but that what was considered a fair figure, Dolan can take it or leave it, said Huggins.

One-third of the gate receipts of Saturday's Lafayette-Princeton game were given to the Red Cross society.

Jessie Harper, coach of the Notre Dame football eleven, was greatly impressed with the decisive victory of Yale over his team Saturday. He said after the game:

## COACH HOUGHTON MAKES CHANGES IN HARVARD TEAM

Lineup Planned for Big Game with Yale.

Cambridge, Mass., Oct. 26.—Radical changes were made in the Harvard varsity football team during practice today. Soucy was moved from center to left end to fill the place vacated by Hardwick. In Soucy's position Coach Houghton installed Wallace, a substitute who played well against Tufts last Saturday.  
Frankie, a blonde giant who has not played for two years, was given Captain Brickley's position in the backfield and Parsons, drafted from the crew squad, played in the line.  
The Crimson lineup which Coach Houghton plans to round into shape for the big game with Yale, comprises Coolidge and Soucy, ends; Bigelow and Trumbull, tackles; Pennock and Parsons, guards; Wallace, center; Logan, quarterback; and Bradlee, Hardwick, Mahan and Frankie for the backfield.

Playing against Canadian Rugby experts again today, the Harvard team appeared to have advanced in defense against the passing game.

## YALE TRIMMED SECOND TEAM WITH SUB BACKFIELD

Varsity Backfield Given a Rest—Roberts Told to Tendon in His Shoulder.

New Haven, Conn., Oct. 26.—Yale's regular backfield was given a rest at the practice today, and the scrub backs played with the varsity line, scoring four touchdowns against two eleven. The game was a slight injury to his shoulder and watched the practice from the side lines. Captain Talbot, who has lost too much weight to play, was given a rest. He is a realer, Roberts, a scrub back, tore a tendon in his shoulder and he will probably be unable to play for a couple of weeks.  
Dr. "Billy" Bull today gave the drop kickers and punters a long drill. Although the Blue has two drop kickers of good ability in Quinsey and Pumphrey, only one field goal has been attempted in regular games this year. Coach Hinkley's plan apparently being to develop a scoring machine for touchdowns.

## DISTURBER IV WON FIRST RACE

Close Event Opened American Motor Boat Championship.

Chicago, Oct. 26.—Disturber IV, owned by James A. Pugh of Chicago, won the first of the American motor boat races for the American championship. Black Demon, owned by Johnson Brothers of Terre Haute, Ind., was second. Billiecan, the third boat in the race, suffered engine trouble, which forced her owner, W. T. Warren to withdraw her.

The race was run over a thirty mile course in Lake Michigan just off the harbor. The boat winning the first three races will be declared the champion. The event was closely contested by Disturber and Black Demon and the time was 31 minutes, 41 seconds. The second race will be held tomorrow.

## MORAN TO SUCCEED DOOLIN.

P. J. Moran Has Been Elected Manager of Philadelphia Nationals.

Fitchburg, Mass., Oct. 26.—Patrick J. Moran, who has been acting as coach for the Philadelphia National League baseball team, today was elected manager of the club to succeed Charles S. Doolin, according to a telegram which Moran received from President William F. Baker of the Philadelphia club tonight. Shortly afterward, Moran received another telegram from Hans Lobert, third baseman of the Philadelphia, who was a candidate for the position, congratulating him on his selection.  
Moran has been a catcher in professional baseball for twenty years. He played first with the Lyons club of the New York State League and subsequently played with the Boston, Chicago and Philadelphia teams in the National League. He has won with the only Chicago Cubs when they won two world championships. He is 37 years old.

## WILL DROP KANSAS CITY.

Federal League Franchise will be Transferred.

That Kansas City will be dropped from the Federal League and the franchise go to either New York or Cincinnati is the statement of President Edward A. Gwinn of the Kansas City Federals. Mr. Gwinn also says that the Federal magnates are ready to listen to any peace proposals, but overtures must first come from organized baseball.  
In speaking of the change in the Federal circuit, President Gwinn said:

"There are several reasons why Kansas City will not be in the Federal League next year. The town is too far away from the Eastern teams, and again the loss sustained there when the grounds were practically swept clean this year by floods make it desirable to readjust the circuit."  
"Either New York or Cincinnati will get the Kansas City franchise, although three other towns have offered ample backing and sites."

"It is possible that the one other Federal League club may decide to throw up its franchise, although there seems to be no doubt that a winning team in the town could make money. In the event of the former coming to pass, the circuit will be even better balanced and more compact than if with only Kansas City out."

## Details will be Arranged for Army-Navy Game.

West Point, N. Y., Oct. 26.—Lieutenant C. B. Meyer, secretary of the army athletic council, left here tonight for Philadelphia, where he will confer tomorrow with Lieutenant Commander A. P. Fairfield, of the navy athletic committee, concerning the details of this year's army-navy game.

The official statement that the game will be played in Philadelphia and that it will alternate with the game played in New York in accordance with the five year agreement, was issued here tonight.

Gridiron Gossip.  
Cincinnati alumni of Notre Dame sent a pool of \$2,000 to New Haven, it is said, to bet on Saturday's game.

Brown and Wesleyan are the only colleges not playing football Saturday. They moved their match Saturday up to Thursday on account of the big celebration at Providence on that day.

Until cooler weather comes, football players will not approach form. Seldom has a fall been so discouraging to players of the game. Coaches are kicking, but are consoled in feeling that everybody is in the same boat.

Yale's Rugby style of passing behind the line while on the run worked with rare precision against Notre Dame, but that opened the way to some wide-awake opponent for a clean field and a touchdown. Its development will be watched with interest.

"Yale has a magnificent team. I have never seen a faster backfield, and the line is invincible. The team seemed to me to be well balanced and just as strong defensively as powerful in attack. We could not find a weak place anywhere."

An X-ray picture has been taken of the shoulder of Kenan, the Wesleyan captain who was injured in the Union game. It was found his shoulder was dislocated and not broken. Dr. Edgar Fauver, the physical director, will make no prediction as to when Kenan will be able to get into the fray, but he is having a special shoulder pad made, and holds out some hopes for the Williams and Trinity games.

Sporting Gossip.  
Fielder Jones, manager of the St. Louis Federals, recently made an offer to Fritz Malsb, third baseman of the Yankees. Malsb told him that he was under an iron-clad three years' contract.

Of the world's champion Braves only Moran, Whitted and James are unsigned. The other players are held by new-fashioned contracts from which the ten-day clause has been eliminated.

Word comes from Pittsburgh with Arthur Gwinn, owner of the Pittsburgh Reds as the authority, that the Kansas City franchise of the Federal League will be transferred next season to New York or Cincinnati.

Levinaky Defeated Flynn  
New York, Oct. 26.—Battling Levinaky defeated Jim Flynn, the Pueblo fireman, in their ten-round bout in Brooklyn tonight. Levinaky had the better of every round. He weighed 112 pounds and Flynn 187 pounds.
